WHAT IS SPARTA:

SPARTA was designed to provide Commercial General Liability, Professional Liability and Non-owned Automobile Liability coverage to tradesmen, artisans, contractors and tenants who would not otherwise be able to provide the insurance limits needed to successfully bid and compete for Public Entity business opportunities.

THE SPARTA ADVANTAGE:

- Allows the Public Entity to access small local contractors and minority tradesmen thereby keeping their budget dollars within their community.
- Eliminates the costly and often difficult task of acquiring, confirming and storing Certificates of Insurance received from contractors.
- Provides the Public Entity with monthly reports as to the number of participants, size of the contracts, loss information and specific department activity.
- The collection of premiums, assessment of exposures and the production of the **SPARTA PROGRAM** are the responsibility of Merriwether & Williams.
- Provides the Public Entity with a policy of insurance that has been tailored to their specific requirements and needs.
- Enhances the fairness and openness of the entire bid process.

ADVANTAGE TO TRADESMAN, CONTRACTOR OR VENDOR

- No hassle 24-hour quote turnaround.
- Does not require any prior insurance coverage, application or loss runs to participate in the **SPARTA PROGRAM**.
- Allows contractors to purchase coverage for a specific job or contract they have received, thereby lowering their insurance costs.
- Tradesmen, contractors and vendors receive insurance coverage that has been pre-approved by the Public Entity.

HOW DOES SPARTA WORK?

The artisan, consultant, contractor, vendor or tradesman would go to www.2sparta.com or call our toll free 800 number. One of our licensed professionals would determine the scope of work performed and what coverages are required by the Public Entity. After ascertaining the kind of work performed and the length of the contract, we would fax, mail or email the contractor a quotation. This document contains specific information they will require to purchase the coverage. If they elect to use the **SPARTA PROGRAM**, they send a cashier's check or money order, or pay by credit card on our website, for the amount of the premium. Upon receipt or confirmation of payment, we will issue a Certificate of Insurance based on the Public Entity's pre-approved master policy and coverage will be activated.

At the end of each month, we provide the Public Entity with a copy of all the contractors, vendors and tradesmen who have been issued coverage through the program. This report includes the name of the contractor, the contract or voucher number, when available, the premium paid, department requesting the coverage and what lines of coverage were written. A copy of each certificate issued will be attached to this report. The Public Entity will also receive a claims status report of any new or ongoing claims. Our office will notify the participating certificate holder sixty (60) days prior to expiration of coverage and notify your office if they fail to renew their coverage.

HOW DO YOU ACCESS SPARTA?

Accessing the **SPARTA PROGRAM** is as simple as a toll free telephone call. Our toll free number is 1-800-420-0555.

You may also access our web site at www.2sparta.com.

We will be looking forward to hearing from you. Give us a call and we will do the rest.
