

General Center Based , Full Day (All Ages) Priorities 2009-10

Zip Code Priorities for Center-Based take into account children, ages 0 through 12 years old, in families with income at or below 75% of state median income where all parents in the household are working. Spaces available/children served from the following programs are used in this analysis: State Preschool (full-day);Prekindergarten and Family Literacy (PKFL) (full-day), General center-based, Latchkey, Alternative Payment, Stage 2 and Stage 3, Family Child Care Home Education Networks.If a zip code is not included in this list, it does not have any priority for funding because the number or percent of unserved children is less than the CDE approved numbers for Los Angeles County.
