**READ ALL INSTRUCTIONS CAREFULLY BEFORE AND WHILE COMPLETING THE APPLICATION AND PROVIDE ALL INFORMATION AND DOCUMENTS REQUESTED.**

#### Overview

The *Investing in Early Educators Stipend Program* - funded by the California Department of Education/Child Development Division (CDE/CDD), developed by the County of Los Angeles Child Care Planning Committee and administered by the Office of Child Care - is designed to increase the retention and academic preparedness of early educators working in child development programs – centers and family child care homes – in which most of the children are subsidized by the CDE/CDD. In addition, the *Stipend Program* helps early educators work towards completing college coursework that informs their work with children and families, and contributes to a degree in child development or a closely related field.

The instructions serve as your guide for completing your application to the *Stipend Program*. It is critically important that you **read the instructions** carefully and provide all information and documents as requested. Note that each cycle is separate; therefore, you must submit all supporting documents requested for this cycle. **Applications that have missing information and/or missing documents will be considered incomplete and will not be reviewed.**

The instructions also provide you with information on the process leading up to awarding stipends, including the appeal process and a detailed timeline.

#### **Applying to the *Stipend Program* is a two-part process:**

- 1. Application:** determines that you meet the employment eligibility criteria.
- 2. Verification:** verifies that you have met the educational requirements, hold a Child Development Permit, and continue to meet the employment criteria. **See Step 2, Item 2 under Eligible Coursework for information.**

**Note:** *If you are not eligible for the Investing in Early Educators Stipend Program, you may be eligible for ASPIRE (A Stipend Program in Support of ECE Excellence), a statewide First 5 CA professional development program for early childhood educators, also known as CARES Plus. ASPIRE is open to people currently working in the early childhood education field who are looking to do coursework and training to improve their practice. For more details on eligibility, visit [www.laup.net](http://www.laup.net) and click on Professional Development to locate the link to ASPIRE.*

## STEP 1: Determining Eligibility<sup>1</sup> (see note below)

To be eligible to apply for a stipend, you **must**:

1. Work in a family child care home that participates in a California Department of Education/Child Development Division (CDE/CDD)-contracted Family Child Care Home Education Network certified by the Network Program Coordinator/Administrator, **OR**

Work in a licensed family child care home in which the majority (51% or more) of the children receive a child care subsidy from the CDE/CDD-contracted agency at the time you submit your application; **AND**

2. Work directly teaching children on a consistent and continual basis at least 15 hours per week; **AND**
3. Have been licensed and operating for one year or employed in a family child care home in the County of Los Angeles from July 1, 2013 through March 13, 2014; **AND**
4. Hold a Child Development Permit issued by the California Commission on Teacher Credentialing (CTC) to be submitted with the Verification Form (see Schedule). **Beginning with Cycle 15, you may participate in three (3) cycles while working toward your permit.** See Step 2, Item 2 under **Eligible Coursework** for more information on obtaining or upgrading a permit.

If you meet the eligibility criteria, then continue to Step 2.

## STEP 2: Meeting the Educational Requirements

To earn a stipend, you **must**:

1. Complete at least three (3) semester units (4.5 quarter units) or a maximum of six (6) semester units (9 quarter units) of eligible coursework at a community college, college, or university; **AND**

**Attention Bachelor Degree candidates:** *For applicants taking one final class required to graduate with a BA/BS degree in child development or a closely related field, you may qualify for an additional graduation stipend with the coursework stipend, as long as the completed class is the equivalent of at least three (3) quarter units. The units and the degree must be earned during the Stipend Program cycle.*

2. Complete the class(es) **after** February 28, 2013 and **before** March 14, 2014; **AND**
3. Pass the class(es) with a grade of “C” or better; **AND**
4. Submit your transcript(s) and Child Development Permit when requested with your Verification Form.

### **Eligible Coursework**

All coursework must be unit-bearing and fulfill the requirements for a degree in child development. Extension or continuing education courses are **not** eligible unless the applicant has a Bachelor Degree (BA/BS) or higher. If you have any questions regarding coursework eligible for the Stipend Program, you are encouraged to contact Renatta Cooper by telephone at (213) 974-9884 or by e-mail at [rcooper@ceo.lacounty.gov](mailto:rcooper@ceo.lacounty.gov).

<sup>1</sup> State law limits eligibility to the *Investing in Early Educators Stipend Program* to persons serving a majority of children receiving CDE/CDD subsidies. Persons working in programs funded by Los Angeles Universal Preschool (LAUP) and/or Head Start are eligible to apply only if the program also receives funding from CDE/CDD.

Eligible coursework is limited to the following five categories:

1. If you are not proficient in English as indicated on your application, you may take English-as-a-Second-Language (ESL) classes at a community college if directed to do so by your college. This option is intended for applicants needing to improve their English language skills in order to enroll in college classes toward earning a degree in child development.
2. If you do not have a child development permit issued by the California Commission on Teacher Credentialing (CTC), you should take required child development classes, such as child/human growth and development, child/family/community, or curriculum. **You will be eligible for a stipend for three (3) cycles while you complete the required courses for your permit.** If you already have a permit, you may take classes needed to upgrade or renew your permit.

**Note:** If you do not have a permit, contact CTC by visiting their website at [www.ctc.ca.gov](http://www.ctc.ca.gov). Click on “Credentialing”, then “Child Development Permits” and follow the instructions for obtaining or upgrading your permit. As an alternative, contact the child development department at your community college. Community colleges can often process permit applications more quickly than the CTC. In addition, the Child Development Training Consortium offers support to eligible persons applying for, renewing, or upgrading their permits; more information is available at [www.childdevelopment.org](http://www.childdevelopment.org).

3. If you do not have an Associate Degree (AA/AS), you should take child development, English, math or general education classes; or prerequisites to classes that are transferable for a degree in child development at a four-year college. Check with an advisor at your college or university before enrolling in a class if you are not sure it is a prerequisite or transferable class.
4. If you have an AA/AS or are working toward a BA/BS, you should take classes that are transferable and are counted as credit toward a four-year college or university degree; or classes at a four-year college or university that count towards a degree. Acceptable degrees include Early Childhood Education, Early Special Education, Child Psychology, and Child Development.
5. If you have a BA/BS or higher, you should take college or university classes that are directly related to your work with children and families in a child development program. Sample topics include: special needs children, diversity, dual language learners, parent relations, adult supervision, program evaluation, and advanced child development. Unit bearing extension or continuing education courses can be counted as eligible only for individuals who already hold a BA/BS or higher.

If you meet the eligibility criteria **and** understand the educational requirements, then continue with your application.

- The licensee-owner signs for their employees. Licensee-Owners applying for stipends may self-certify.

**Section 8. Applicant Certification and Signature**

- Read and initial each of the eight statements of certification.
- Be sure to sign and date this section.

**STEP 4: Submitting Your Application**

2. Be sure that your name is included at the top of the supporting documents.
3. Check to make sure that your Network Administrator or Licensee-Owner has completed, signed, and dated Section 7 and attached their business card.
4. If you operate or work in a family child care home that does not participate in a FCCHEN, be sure that you have attached a copy of the most current invoice/contract documents listing **all** of the subsidized children enrolled in the program. The invoice/contract(s) should be a copy of the printout(s) received from the funding agency(ies) with their name on it. You will **not** be eligible for a stipend without the invoice/contract documents.

- Your letter of appeal should include the following information:
  - The date your appeal letter is written
  - Your full name and social security number (SSN) as written on your application

- The Office of Child Care management team reviews appeals, including review of the original application. The applicant will be notified by U.S. mail. **ALL DECISIONS ARE FINAL.**
