

Afterschool Job Fair

Do you need a part-time job? Do you enjoy working with children and youth? Then you should consider a job in an afterschool program!

Due to Proposition 49, funding for afterschool programs will be increasing from \$121 million to \$550 million statewide. This funding will create a surplus of approximately 12,000 new jobs that need to be filled immediately! In the Los Angeles area alone, we expect a surplus of 8,000 jobs starting in January 2007.

Don't miss this opportunity to find a fun, meaningful job in your neighborhood!
