\* Zip code boundaries and names are established by the U.S. Postal Service (USPS). Zip code boundaries do not necessarily follow established municipal, community, and other district boundaries. Therefore, while a zip code name usually reflects the municipality or community that predominates that area, it does not necessarily coincide entirely with the established municipal, community, or other district

boundaries. Thus, a zip code name may include parts of other communities and/or districts not reflective of its name.
