## SAVE OUR WATER - HOW YOU CAN HELP!

California is suffering from a drought so we cannot afford to waste any water. The good news is there are lots of simple ways to reduce the amount of water that we use at home, both inside and outside. The Whittier Unincorporated areas are served by four water companies as listed in the At-A-Glance Directory (page 17). For more information contact your local water agency or log onto the California Urban Water Conservation Council's website at [www.saveourh2o.org](http://www.saveourh2o.org).

## NEED HELP REQUESTING GOVERNMENT AGENCY SERVICES?

**THERE'S AN APP FOR THAT CALLED THE WORKS!**  
**DEPARTMENT OF PUBLIC WORKS (DPW)**

Look for the app at <http://dpw.lacounty.gov/theworks>  
Download The Works for iPhone, iPad, iOS and Android devices. Available at the App Store.

You can now take advantage of DPW's application called "The Works" to connect with their services as well as three other County departments. Since its initial launch, 'The Works' app has been downloaded more than 3,200 times. Los Angeles County residents have already used it to report and track the removal of more than 1,360 graffiti tags, 650 incidents of illegal dumping, and the repair of 490 potholes.

The popular app was recently expanded to include services from Parks and Recreation, Public Health, and Regional Planning, enabling smartphone users to request facility and trail maintenance at County parks and report health or other code violations at hotels, motels, apartments, and other properties.

Users can submit a detailed description of an issue, attach photos, and provide contact information for additional follow-up. Service requests can be tracked and using GPS technology, the app determines the location of the service request along with the appropriate agency. If the service is outside the County's jurisdiction, the service request is forwarded automatically to the responsible agency.

## NEW TRAIL WEBSITE AVAILABLE DEPARTMENT OF PARKS AND RECREATION [www.trails.lacounty.gov](http://www.trails.lacounty.gov)

The Department of Parks and Recreation unveiled a new website dedicated exclusively to information about trails throughout Los Angeles County. The website is a one stop resource for hikers, mountain bikers, and equestrians. Included is information on a regional network of trails that connect to the Santa Monica Mountains, Angeles National Forest, San Gabriel Mountains, Puente Hills, Baldwin Hills, the desert and foothill communities, and into urban areas. You can now report a trail maintenance issue or concern through "The Works" mobile app (see article above). If you have a question or want to share an idea, you can also access a feedback form on the trails website or email the Department of Parks and Recreation at [trails@parks.lacounty.gov](mailto:trails@parks.lacounty.gov).

## LIBERTY COMMUNITY PLAZA WILL BE OPENING SOON!

14181 TELEGRAPH ROAD, WHITTIER

You may have noticed the progress as construction crews fine tune the exterior and interior portions of the new building. The new County funded Liberty Community Plaza and outdoor space will include multi-purpose rooms, an outdoor amphitheater, community programs, and a variety of activities and services. The facility will be managed by Helpline Youth Counseling, Inc. who will provide family counseling resources.

Construction has been managed by the Community Development Commission. A grand opening is expected in the early part of 2015. For more information, contact **(562) 807-7350**.

Included will be a special area designated for teens, a room specifically designed for community arts and crafts classes, and a room dedicated to offer resources and referrals for local veterans. The Lobby area

can also accommodate public art displays and receptions. The outdoor space will include drought tolerant plants and demonstration projects by the Water Replenishment District and Orchard Dale Water Company.

### FREEDOM GARDEN

Liberty Community Plaza is a fitting name because the design includes a special place for reflection for veterans and their families. Artist Susan Narduli was commissioned to design a space to gather and honor our nation's veterans. The area will provide a special place to honor the memory and sacrifice of the men and women from Whittier Unincorporated who served in our nation's armed forces. The Freedom Garden will be a living tribute to those who defended this country during war and peace.

## SOON TO BE CONSTRUCTED - SOUTH WHITTIER LIBRARY

With funding provided by the Board of Supervisors, a brand new library will be constructed in Whittier Unincorporated. The new South Whittier Library will be an upgraded facility and part of the County of Los Angeles Public Library system. It will be located at 11515 Colima Road near Telegraph Road within the STARS Center property. The new library will be 14,000 square feet with features such as new

public computers, a meeting room with capacity for 100, a laptop vending machine, children's area with a "Family Place" and more. The library will also include sustainable elements including solar panels and an energy management system. For more information, contact Yolanda De Ramus at **(562) 940-8412**.

## CULTURAL DIVERSITY CELEBRATION

### ART AND DANCE TRADITIONS FROM AROUND THE WORLD

Last June, local youth from the CRC Homework Assistance Program celebrated diversity as they presented the "Cultures of the World Showcase" at the last annual art exhibition. The celebration included artistic expressions of art, music, and dance. Local community members admired the artwork and displays of the students' artistic creations representing Mexican, African, Indian, and Thai cultures. The next Art and Talent Showcase is scheduled for June 18, 2015.

### HOW DOES PROPOSITION 13 HELP PROPERTY OWNERS?

Proposition 13 is a statewide constitutional amendment that was passed in 1978. It establishes a uniform property tax rate of 1% of the property's assessed value with a 2% cap on annual increases to the assessed value. This means that property owners can easily calculate what their property taxes will be in future years which can provide reassurance for those who plan to live in their homes upon retirement.

### PROPERTY TAX SAVING PROGRAMS

**Homeowners' Exemption** If you own and occupy your home as your principal place of residence, you are eligible for a Homeowners' Exemption that reduces your property tax by about \$70 dollars annually.

**Disabled Veterans' Exemption** A veteran who is rated 100% disabled due to a service-connected disability, or the unmarried surviving spouse of certain deceased veterans, may be eligible for a Disabled Veterans' Property Tax Exemption.

**Decline-in-Value** Proposition 8 allows a temporary reduction in assessed value when a property suffers a decline-in-value. A decline-in-value occurs when the current market value of real property is less than the current assessed (taxable) value as of January 1st.

**HANDS-ONLY CPR AND PULSE POINT**  
**THE PERSON YOU HELP MAY BE SOMEONE YOU LOVE**

Firefighters have partnered with the American Heart Association to create the CPR Anytime Program to teach these lifesaving methods to the public, including middle and high school students. Students are given a CPR training kit to take home and train family members and friends. Watch a 60-second video at heart.org/handsonlycpr to see how it works – and share with the important people in your life. Find a CPR training class by calling your local fire station.

**GET TRAINED:** Hands-Only CPR is a new, easy way for you to provide lifesaving actions to anyone around you following sudden cardiac arrest. It uses chest compressions only – *no more mouth to mouth* – to save lives in the first few minutes before help arrives.

**GET THE APP:** Once you learn Hands Only CPR, you can use your new skills by downloading **Pulse Point**, a free smart device application (app) that alerts smartphone users to the exact location of a person in their vicinity who is in need of CPR. Download the Pulse Point application at: [www.pulsepoint.org/app/](http://www.pulsepoint.org/app/). To learn how the application works, watch a short video at [www.vimeo.com/pulsepoint/lacofd](http://www.vimeo.com/pulsepoint/lacofd).
