**Note:** The CEO works with the public and County departments to coordinate the use of County property by outside individuals or groups. The requesting individual or group must: 1. pay the market rate for the space use; 2. submit proof of insurance; and 3. execute a space use permit. Not all property is available for use and all property is subject to prior reservation. The CEO cannot waive the payment of fees; insurance, in the name of the party to whom the permit is issued, is never waived.
