

## Innovate@UCLA

### Sachi Hamai Public Sector Award

The Office of the CIO, William Kehoe & the Analytical Center of Excellence (ACE) is proud to be a part of LA County's CEO, Sachi Hamai's Innovate@UCLA Public Sector Award!

Sachi Hamai established the "Information Hub" at LA County to create data driven decisions, success metrics to improve coordination of services and improve lives & health outcomes.

The Office of the CIO was also honored to attend the 41<sup>st</sup> Innovate@UCLA LA Awards that celebrate individual Chief Executive Officer's that leverage technology for strategic advancements.

## Techwire Vendor-Briefing

The Office of the CIO's Chief Information Security Officer, Ralph Johnson alongside colleagues, Karen Loquet, Jim Allen, and Jim Green discussed collaborative partnership initiative opportunities for our vendor community at Techwire's event put together by our Internal Services Department.

There were great discussions around security awareness, juvenile services, bail reform, enterprise applications and opportunities to streamline communication to our various County Departments.

## Homeless Initiative RFP

We are excited to announce that the **Los Angeles County Technology Innovation Challenge** has launched!

Homelessness is one of the most complex and pressing humanitarian crises facing the Los Angeles community – so thank you for your continued interest in joining our dynamic Countywide movement.

Now, LA County is calling on you and enlisting the tech sector to help us forge bold new solutions and harness creative approaches.

The **Technology Innovation Challenge** will award \$1.375 million to transformative, human-centered solutions to make a meaningful impact for our neighbors experiencing homelessness and those who serve them.

The Challenge is our competitive call for innovative ideas we believe could be instrumental in addressing our homelessness epidemic. The submissions will be evaluated by a renowned panel of experts and the Challenge will culminate in a live pitch event.

So if you're ready, visit [technologyinnovationchallenge.org/](https://technologyinnovationchallenge.org/) for all of the details and how to enter.

Heed the call and enter the **Technology Innovation Challenge** today!
