

## LOS ANGELES COUNTY WINS!

Los Angeles County is excited to announce that we have received multiple Government Experience Project Awards from the Center for Digital Government for:

- LA County AB210 Countywide Homeless Information Portal "CHIP" project.
- LA County Metro Bus and LA County Rail Digital Signage Connection project.
- LA County Voting Solutions for All People "VSAP" & Interactive Sample Ballot.

The Government Experience Awards recognize the achievements and best practices of states, cities and counties that are radically improving the experience of government and pushing the boundaries of how citizen services are delivered.

Los Angeles County has also received 2<sup>nd</sup> place in the Overall Government Experience Awards from the Center for Digital Government. Dustin Haisler, Chief Innovation Officer for the Center for Digital Government stated, "Our state and local government winners this year demonstrated that focusing on the government experience provides a foundation that played a vital role in responding and adapting to the uncertainties and disruptions of 2020."

## The Start of The National Cybersecurity Awareness Month

October will mark the 17<sup>th</sup> annual observance of "National Cybersecurity Awareness Month" (NCSAM). The objective of NCSAM is to raise awareness about the importance of cybersecurity, ensuring that everyone has the resources they need to be safer and secure online. This year's theme is "**Do Your Part. #BeCyberSmart.**"

Los Angeles County will again be hosting a number of events to observe NCSAM. Visit [connect.lacounty.gov](https://connect.lacounty.gov) for more information and to join the MS Teams Live Sessions.
