

2021 Digital Government Summit

The 2021 virtual Digital Government Summit was phenomenal and very thought provoking! We had our Acting Chief Information Officer, Peter Loo kickstart the Summit with Chief Information Officer from the City of Los Angeles, Tedd Ross.

LOS ANGELES
VIRTUAL
DIGITAL GOVERNMENT SUMMIT

government
technology

AUGUST 24, 2021

Our former Deputy CIO Jagjit Dhaliwal also participated in a Digital Equity Session that focused on digital inclusion: where we stand today, where we need to be and how to ramp up our progress!

More Goodbyes at OCIO

Our team had to say some difficult goodbyes to Deputy CIO, Jagjit Dhaliwal and CISO, Ralph Johnson. If you were lucky enough to work with them, you would know how amazing and knowledgeable they truly are and what an impact they had on the Los Angeles County .

Even though we are sad to see them leave we wish them nothing but the best in their new career ventures!

Los Angeles County CEO, OCIO New Positions Available

Los Angeles County CEO, OCIO currently has three active openings for you to apply too.

We have new openings for CEO Chief Data Officer and CEO Chief Information Security Officer. Check your qualifications and apply before the September 16th deadline.

The OCIO, Senior Information Technology Consultant position is also still available on our website! <https://ceo.lacounty.gov/cio-careers/>
