

**Care First Community Investment
Listening Sessions
2-2.5 Hours**

- Information in blue is feedback collected from Ad-Hoc (small group from the full Advisory Committee)

Listening Sessions Purpose:

- Coordinate Four listening sessions in Los Angeles County; three in-person sessions and one virtual session → consider doing more sessions given the size of LA County
 - Dates and Times - reflected of the community, on the weekends and in the evening.
Targeting April 23 - April 30
- Leverage the ARPA Equity Dashboard to inform the identification of the highest needs communities to coordinate in-person listening sessions.
 - City of Long Beach, Boyle Heights, Antelope Valley/Landcaster, South LA-Watts/Willowbrook, Vernon (additional geographic zones)
 - Native American community lives throughout the LA County region/ San Gabriel
- Collaborate with community stakeholders to provide feedback on community outreach and engagement efforts and agenda
- Coordinate the listening session in the evenings or weekends to increase community participation and attendance

Ad-Hoc Group 1: integrate sticky notes/charts to allow people the opportunity to determine their priority issues that emerge from the three breakout sessions. (Full Ad-Hoc in agreement to integrate stickies)

Ad-Hoc Group 2: Host the listening sessions on Saturday morning (11:00 a.m.) and late afternoons on weekdays (5:00)

- Host one additional virtual listening session
- Added three breakout sessions that repeat for 8-9 previously identified issues area (Julissa shared the information with Keira)
- We will need to adjust the meeting time to accommodate for three breakouts/unless a new and engaging approach is presented
