Relations

JANUARY 24, 2025

## LATEST NEWS

## COUNTY ADVOCACY- RELATED ACTIONS

At the January 14th and January 21st meetings, the Board of Supervisors took the following legislative-related actions:

- **Regulation of Household Hazardous Waste through Extended Producer Responsibility**

The Board directed the Chief Executive Office – Legislative Affairs and Intergovernmental Relations (CEO-LAIR), together with the Department of Public Works, to support legislation to establish a statewide Household Hazardous Waste Extended Producer Responsibility policy. Additional details on the motion can be found [here](#).

- **Ratification of Proclamation of Local Emergency, Curfew Order, and Local Health Emergency Declaration for the January 2025 Windstorm and Critical Fire Events**

The Board directed CEO-LAIR, to support legislation and pursue funding opportunities at both the State and Federal levels to support efforts to promote the recovery of the Los Angeles County economy in the wake of the Windstorm and Critical Fire Events. Additional details on the motion can be found [here](#).

- **Seeking State and Federal Assistance for the Los Angeles County Wildfires**

The Board directed CEO-LAIR, to take all necessary actions, including sending five-signature letters, to seek funding be directly allocated to local agencies in Los Angeles County for the 2025 wildfires emergency response, recovery, and wildfire prevention efforts as listed in the motion's preamble. Letters will be sent to

- President Trump, with a copy to the Los Angeles County Congressional Delegation and relevant Federal agencies, and
- Governor Newsom, with a copy to Senate President pro Tempore Mike McGuire, Assembly Speaker Robert Rivas, the Los Angeles County Legislative Delegation, and relevant State agencies.

CEO-LAIR was also directed to work with County Departments to identify legislative and/or budgetary requests that are critical for the expeditious recovery of the affected communities, including wildfire prevention efforts, and take the appropriate legislative advocacy actions to support all response and recovery programs and funding for the Los Angeles County wildfires, including funding for prevention and efforts to support recovery. Additional details on the motion can be found [here](#).

## DISASTER RECOVERY CENTERS REMAIN OPEN

Disaster Recovery Centers are open to the public from 9:00 AM to 8:00 PM. Residents and businesses can access local, state, federal and non-profit recovery resources in one location.

### WESTSIDE LOCATION

UCLA Research Park West  
10850 West Pico Blvd.  
Los Angeles, CA 90064

### EASTSIDE LOCATION

PCC Community Education Center  
3035 E. Foothill Blvd.  
Pasadena, CA 91107

## WILDFIRE INCIDENT RESPONSE AND RECOVERY RESOURCES

The [LA County Emergency Incident Response](#) website remains activated in response to the Eaton, Palisades, and Hughes wildfires in LA County .

### Additional Resources:

- [LA County Recovers](#) - Offers preliminary maps showing damage assessments and other resources.
- [LA County Relief](#) - A portal that serves as a one-stop resource to connect with trusted organizations that are providing crucial relief and support to those affected.
- [Department of Public Works](#) - Information on Trash and Household Hazardous Waste, and Debris Removal.
- [Office of Immigration Affairs \(OIA\)](#) - Use of emergency assistance is not considered in the “public charge” test. Receiving emergency aid – including food, shelter, medical assistance, and temporary financial support – will not impact the future immigration relief applications of the recipient or their household members.
- [Arts and Culture](#) - Resources for Artists and Creative Workers
- [LA County Planning](#) - LA County’s [Disaster Recovery Ordinance](#) allows for like-for-like replacements to aid repairing or rebuilding buildings and structures damaged or destroyed by a disaster.
- [Public Health](#) - Health Orders, Medication Access, Guidance and Safety Information.

## ALERT LA COUNTY

[Alert LA County](#) is an opt-in mass notification program utilized by the County of Los Angeles that allows individuals to receive emergency alerts by text, email and/or phone call.
