Dear Mr. Hooper,

My staff has completed their review of the County of Los Angeles Emergency Response Plan (OAERP). I have reviewed the attached staff report and concur with its findings and recommendations. Accordingly, I have determined that the County of Los Angeles ERP is acceptable in accordance with the requirements of the Emergency Services Act and the Standardized Emergency Management System. This plan is also consistent with state guidance available at the time the plan was developed. This acceptance is contingent upon implementation of the recommendations in the attached staff report and the adoption of the ERP by your governing body or their designee.

Following the adoption of your plan, please provide us with the following:

- one copy of the signed and adopted plan on a Compact Disc,
- Submission of the completed Standard Operating Procedures (SOP)
- Any resolutions that pertain to the adoption of your ERP.

Thank you for your planning effort. I encourage you to continue to develop supporting operating procedures, exercise your plan, and review the plan every three years. If you have any questions or require any assistance, please contact my office at (562) 795-2906.

Sincerely,

Mary C. Montgomery
